MYOMY is looking for interns in 2019

Sustainable fashion house MYOMY is looking for enthusiastic and ambitious interns that can support our brand. We are looking for energetic people that are looking for an inspiring work environment, would love to develop their knowledge on sustainability and fair trade and are eager to learn and cooperate. We work in a small team in which everyone has its own role – and so have you. As intern you are full part of the team; in which you'll also support other team members and learn and support on quality control.

SALES INTERNSHIP

We are looking for an ambitious intern that wishes to grow in sales and communication. This person can support us in creating and organizing sales opportunities, setting up campaigns and sample sales and helps develop the brand MYOMY in Europe. Retail communication, resale support, planning and handling of orders are also main activities. Besides you will support other sales activities, like online products management for our webshop.

MARKETING AND COMMUNICATION INTERNSHIP

We are also looking for someone with affinity for marketing and communications with a sense of design. Do you have an eye for detail and do you never miss out on trends? Are you enthusiastic, pro-active and looking for responsibilities and challenge? Then the MYOMY team is looking for you! During your internship, you support marketing communication through different (online and offline) marketing channels and create visuals to share with our community. (Social media) Campaigns (social media), writing, creation of mailings, making collection overviews for our brochures and organizing events are big part of this.

COLLECTION / PRODUCT DEVELOPMENT INTERNSHIP

Do you study Fashion or Styling, and do you want to be involved in the product and collection development of MYOMY? MYOMY is looking for an intern who is always on top of the latest trends and can translate trend analyses to the brand values of MYOMY. As a collection development intern, you will do extensively trend research in related shops, magazines and online places. Furthermore, you make competitor analyses and collect all previous sales information to get a clear overview of the brand position. During your internship you work very closely with the product and production department and you will be involved in the development of future products and collections.

ARE YOU THE ONE?

We'd love our interns to carry responsibility, be solution driven, eager to learn, communicative, good listeners and great understanders. We will always support our interns to stimulate their learning and development. You are fluent in Dutch and English language; speaking German is a plus. Just like know-how of Photoshop, InDesign and making short movies. An interest in and motivation for fair trade and sustainability is an absolute must!

WHAT'S IN IT FOR YOU?

During your internship at MYOMY you get a lot of responsibility, work on various project and get good accompaniment. The team you'll be part of is driven and together we work for success: with our partners in The Netherlands and abroad! At the office there's a great atmosphere of informality and trust. There are many opportunities to share your ideas and creativity. Also, it is possible to do your (thesis) research. Together we will discuss the goal of the internship and the monthly fee we offer.

Are you a HBO/WO student, looking for a challenging internship for 4 months (4 days/wk) minimum? Please send your motivation letter and CV with picture to:
